We encourage all members to visit the website: [www.cumberlandwoodturners.com](http://www.cumberlandwoodturners.com)

A complete list of club officers and coordinators for events can be found at the sidebar on page one.

Reminder that every Tuesday at 8:30 AM, we will meet at either The Donut Café at 64 S. Main Street (just down from the Palace Theater) or at Grinders Coffee Shop on Main Street. Rod Smith will send out an E-Mail each week notifying you which location.

Remember that the January meeting will be at Les Black's shop on Thursday, January 27, 2022.

Reminder that Housekeeping at the church is important. It is nice to have such a facility. Also, contributions to the church are appreciated.

Election of officers was held and the officers remain the same for the coming year. Tom Neckvatal as President, Larry Lewis as Vice President, Rod Smith as Secretary, and Garron Reichers as Treasurer.

Tom Neckvatal has wood for the members. If you would like some, contact Tom

The club has received requests for items to be made. These requests will be sent out via E-Mail.

Anyone interested can reply.

No old business was discussed.

Under New Business,

It was decided that the club would purchase a set of woodturning tools that some of the new members can borrow.

Annual dues are accepted for next year, 2022. Dues are still \$30 for individual and \$45 for a family membership.

The new club brochure has been printed. Copies can be found at Les Black's shop in the club cabinet. Also in the cabinet, the club has supplies for sale. Items such as CA glue, Epoxy, Debonder, Accelerator, and sandpaper.

Discussion was had about a Christmas Party. Final plans are still up in the air.

Also discussed was a gift for Angela for all the work that she has put into the ornament sales. Final plan is pending.

Drue Hogland gave a talk about Beads Of Courage. There is a need, so let's start making them again. Paul Kennedy has some of the Logo beads for BOC available.

We still have several openings for demonstrations for next year. See Larry Lewis or Rod Smith if you would be willing to do a demo. Thanks to all who have volunteered.

## Safety Note

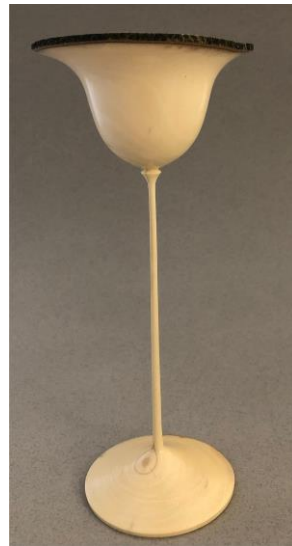

**Larry Lewis talked about making sure that you have everything necessary for safety. This includes hearing protection, eye protection, face shield, wearing proper clothing while turning.**

The AAW Safety Booklet is posted on our website, along with other safety tips.

## Demo Turning A Thin Stem Goblet

---

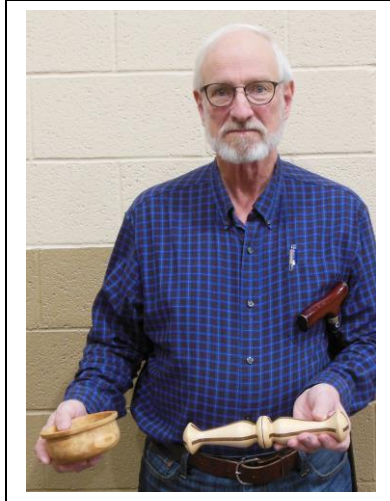

Jake Niedling did a wonderful and informative demo on how to turn a thin stem goblet. He discussed the various tools used and the cuts. Jake used a 3/8" bowl gouge, a 3/8" detail gouge, a 3/8" spindle gouge, along with a spindle roughing gouge and a parting tool. He showed how to make the peel cut, the slicing cut, the entry cut. Jake stressed the importance of having sharp tools. Do not have the pith in the stem, it will not hold up. Keep the tail stock up as long as you can for safety reasons.
