Meeting Minutes

- President sent around a signup sheet for volunteers for the Gun and Knife Show to take place August 4 & 5, 2018. He also mentioned that Les Black will need help moving the lathe to the show. In addition to needing turners there will also be a table for members to sell their turnings.
- President announced for members to start thinking about the electing of Club Officers that will occur in November 2018. There are a number of offices that will be open and the club needs to fill the offices in order to keep the club active.
- Announcement was made about the upcoming Women in Turning event in September 5-7, 2018 at Arrowmont at a cost of AAW members \$300.00 and non AAW members \$360.00.
- The AAW has a new free website with lots of wood turning videos: AAWVideoSource.org There are 60 day free trial memberships offered at the AAW website: WWW.woodturner.org . If our club has 100% participation in AAW we would qualify for two (2) Scholarships per year.
- Vendor discounts have been renewed with the following: Kingsport offering a 10% discount on non-power items and Vantage Lumber Co. 10% on orders over \$100.0, they are also offering orders over \$750.00 30%. They are also going to be sending the club gift certificates and will provide advice on sanding over the phone. Just mention that you are a member of the Cumberland Woodturners Club when placing your order.
An updated membership roster has been sent to Hartville Tools. If you order from them mention that you are a member of the Cumberland Woodturners and you will get a 15% discount.
- The club has been contacted by the Homestead Gift Shop requesting \$5.00 Christmas ornaments to be sold in their gift shop. This is a good fund raiser to help offset costs of having guest demonstrators at the club.
- We encourage people to keep turning Beads of Courage boxes as the need never ends.
- We encourage all members to visit the website: www.cumberlandwoodturners.com.
- Bill Atchison reported a balance of \$2070.26.

Safety

Rod Smith demonstrated what can happen if you are not paying attention when turning. He had a Basket Illusion Platter that he had been working on that got broken in half and thrown off the lathe when adjusting the tool rest without turning the lathe off first.

John Lucas Demo

By John Lucas

John Lucas performed a turning demonstration of Angel Christmas Ornaments that he developed to gain a better looking finished piece. He demonstrated the steps and types of cuts that he has been working on to achieve this new type of ornament. Good job John.
